

TILT ATTACH

AUSTRALIA'S PREMIER ATTACHMENT MANUFACTURER

Tilt Attach

Fully utilize your skid steer loader attachments with the powerful tilt attach. Allows angling of a variety of attachments including buckets, brooms, trenchers and more. Work easily on hilly terrain or uneven surfaces with a Digga heavy duty tilt attachment.

Features:

- Allows full utilization of skid-steer on hilly terrain
- Attaches to a skid-steer universal hitch to allow 18 left or right tilt of centre line
- Tilts buckets and landscaping implements for more precise grading, leveling and trenching
- Valve package is mounted on Tilt Attach for use with hydraulic powered attachments
- Simple connection by electric wiring keeps valves and hoses out of operators cabin
- Large Spherical ball bushing in centre pivot allows extra strength and durability
- Pins attach two halves together instead of bolts
- 2 year limited warranty

Ideal Use:

Allows for tilting of your attachments increasing their working range

Machine Suitability:

Skid steer loaders

Mini Tilt Attach also available
